

The image displays three screenshots of a web application interface for managing tenders. The top screenshot shows a search form with fields for 'Dipartimento Proponente', 'Classificazione Funzione', 'Da Numero', 'A Numero', 'Anno', 'Oggetto', 'Data Data', and 'Stato Att'. The middle screenshot shows a modal window titled 'Visualizza Servizi' displaying a list of services with columns for 'Servizio', 'Descrizione', and 'Stato'. The bottom screenshot shows the same search form with a dropdown menu open for 'Stato Att'.
