

The image displays three sequential screenshots of a web application interface, specifically the 'Iniziativa Stato-Proposte' section. The interface is divided into a main content area and a right-hand sidebar.

**Top Screenshot:** The 'Iniziativa Stato-Proposte' header is visible. Below it, there are input fields for 'Codice' (with a dropdown arrow), 'Descrizione', and 'Assoluta' (with a checkbox). The right sidebar contains a vertical list of items, including '12. Stato' and '13. Stato'.

**Middle Screenshot:** The 'Iniziativa Stato-Proposte' header is visible. Below it, there is a table with columns 'Codice' and 'Descrizione'. The table contains several rows of data. The right sidebar contains a vertical list of items, including '12. Stato' and '13. Stato'.

**Bottom Screenshot:** The 'Iniziativa Stato-Proposte' header is visible. Below it, there are input fields for 'Codice' (with a dropdown arrow), 'Descrizione' (with a dropdown arrow), 'Stato di approvazione' (with a dropdown arrow), 'Attiva gestione preavviso' (with a checkbox), and 'Assoluta' (with a checkbox). The right sidebar contains a vertical list of items, including '12. Stato' and '13. Stato'.
